

HOPE UNION ENTERPRISE CO.,LTD

Beyond basics

HOPE UNION ENTERPRISE CO., LTD., established in 1975, aimed at producing a natural and comfortable product. Plus, we provide a customized service to show an elaborate hand-made style.

HOPE UNION ENTERPRISE CO., LTD. has a knitting factory and sewing factory. The knitting factory is equipped with hand knitting machines. Not only can we create elaborate patterns, but colorful products. The sewing factory also excels at quilting. The two factories can work together to combine knitting products and quilting ones.

Besides, knitting production is more than winter clothing. We create bags, bedding, storage, decorations, stationary, combining the tenderness of knitting with our everyday lives.

In TITAS 2023, we will show the skills of hand-making, pattern-making, and the skills of embroidery, which machines can't replace.
